3. Depositing of Funds to Platform Bank Account, Reflection in the User's Posting Account and payout.

- 3.1. The User's Posting Account is created simultaneously with registration of the User Profile on Platform Homepage.
- 3.2. Posting Account is not a separate stand-alone account in terms of bank services or payment system services. Posting Account is an individual accounting system that provides the User with a service for recording Deals carried out using the Platform.
- 3.3. To replenish the funds, reflected on Posting Account, the User shall transfer from the User's Bank Account or the User's account with the Payment Institution to Platform Bank Account the amount of funds that he wants to be reflected on Posting Account. In fact the funds are kept on Platform Bank Account and their status is specified in Clause 3.10 of the Terms of Use. When making a wire transfer of the funds to Platform Bank Account the User specifies the User Identification Number as the purpose of payment. The Payment Institution shall be preciously accepted by the Platform.
- 3.4. The User has a right to replenish his Posting Account only in his own name. The Platform will not accept the funds if the payer is not confirmed directly by the User's Bank or the User's Payment Institution or if the User's Identification number is not specified in the purpose of the payment. Confirmations on the payer's identity sent by the User will not be accepted by the Platform. The Platform on the User's request gives instructions on the confirmation wording acceptable by the Platform. The User undertakes to agree with the Platform on this wording before making fund transfer to the Platform Account.
- 3.5. After receiving of the funds, deposited by the User to Platform Bank Account, Platform reflects an equivalent amount of funds on User's Posting Account.
- 3.6. In case the User when making wire transfer of funds to Platform Bank Account has not specified the user Identification Number or specified the wrong one, Platform

has a right either to keep the funds until it receives a confirmation from the User that the funds are owned by the User or to transfer the funds back, retaining commission according to the Price List.

- 3.7. The User shall transfer the funds to Platform Bank Account in euros (EUR). Should the User deposit funds in other currency, Platform shall have a right:
 - 3.7.1. To return the funds, retaining commission according to the Price List;
 - 3.7.2. To perform conversion of the funds into euro (EUR) according to the exchange rate of the bank or payment institution, which the Platform Account is opened with, additionally retaining commission according to the Price List.
- 3.8. Platform has a right to refuse to accept funds from the User and to return them to the User's Bank Account in case the identity of the User, the amount of payment or the method of payment is suspicious from the point of view of the AML legal regulation or does not comply with the Policy.
- 3.9. Platform uses the funds deposited by the User only according to the User's instructions in accordance with the Terms of Use. By making transfer of the User's funds according to the User's instructions, Platform accordingly reduces the amount of funds on the User's Posting Account.
- 3.10. In terms of the Civil Law the User's funds, deposited to Platform Bank Account, are the expenses necessary to conduct business. The funds, deposited by the User, can be used only for acquisition of Platform Services by the User.
- 3.11. Platform provides to the User an opportunity to request the return of funds to User's Bank Account by using User Profile at any time according to the Terms of Use. The User has a right to request from Platform the return of only those funds that at the time of the request are not invested in the Platform Services. Platform makes the payout within three (3) business days from the moment of payout request by the User. The Platform is entitled to retain from the User a commission, equivalent to bank charges for transfer of funds. The Platform is entitled to suspend the payout if there any documents or information outstanding that is necessary for Identification and KYC purposes until the requested documents and information are submitted by the User and accepted by the Platform in accordance with the Policy.
- 3.12. In the User Profile, the User has access to reports on the status of his Posting Account and the actions performed on the Posting Account.
- 3.13. Platform has a right to close the User Profile and his Posting Account in cases, provided for in Section [9] of the Terms of Use.
- 3.14. In case of closing the User Profile, Platform transfers the User's funds to the User's Bank Account. The Platform is entitled to suspend the payout if there any documents or information outstanding that is necessary for Identification and KYC purposes until the requested documents and information are submitted by the User and accepted by the Platform in accordance with the Policy. During the time of suspense the Platform shall keep the funds reflected in the User's Posting Account. Starting from the 14th (fourteenth) day the Platform shall retain commission fee for storage of funds according to the Price List.
- 3.15. The Platform is not responsible in case the funds, deposited by the User, are blocked/arrested/collected by governmental authorities due to any illegal actions carried out by the User.

A. SPECIAL CONDITIONS OF AUTO-INVEST.

1. This Section "Special Conditions. Auto-invest" is an integral part of these Terms of Use and include special conditions of use of the Platform Service such as Auto-invest.
2. Auto-invest is an automatized purchasing of Claim Rights by the User using the Platform according to the parameters set the User (hereinafter referred to as "the Auto-invest").
3. In order to activate Auto-invest function, the User shall:
 - 3.1. fill in the offered parameters on the Auto-invest webpage, including, but not limited:
 - Auto-invest limit (hereinafter referred to as "the Limit") – maximal total amount of the funds the User wishes to invest using the Auto-invest,
 - interval of interest rate,
 - interval of project term,
 - maximal investment amount for one project,
 - term of the Auto-invest ("valid till"),
 - repayment type,
 - country,
 - loan originator,

- for the purchase of Claim Rights, according to which the Platform shall automatically select the appropriate Claim Rights for the User;
- 3.2. choose the project type for investments – all the projects or only new Projects. The User acknowledges and agrees that the funds using the Auto-invest, by default, will be invested by the Platform only into the new projects. If the User wishes to invest also into the old projects it shall request it while setting the parameters of the Auto-invest. With the “new project” the Parties understand the projects that the User has not invested into yet. With the “old project” the Parties understand the project which the User has not invested into before. The system makes only one investment per one old project unless the User repeated its request for the investment in old projects.
 - 3.3. confirm its consent to entering into the Assignment Agreements pursuant to the wording in effect at the moment of activation of Auto-invest, and acknowledge them as binding upon the User. The wording of the Assignment Agreements (general conditions common for all the Assignment Agreements offered for Auto-invest) is available for the User in its Profile);
4. While filling up the parameters in accordance with the Clause 3.1. above the User instead of setting the Limit may choose to invest all the funds in its Posting account available during all the term of the Auto-invest specified by the User. By choosing Auto-invest unlimited the User authorizes the Platform to invest all the current and future funds in the Posting Account without any limits, irrespective of the way of entrance of these funds into the Posting Account. The User acknowledges and agrees that the income from its investments via the Platform also will be reinvested.
 5. The total amount of the User’s funds invested using the Auto-invest will be shown in the User’s Posting Account. This total amount can be equal or less than the Limit if the Limit is specified by the User.
 6. The User is informed and agrees that only the User itself is responsible for the parameters of Auto-invest filled in its Profile and waives any claims against the Platform in this regard.
 7. The User shall ensure that the balance of the User’s Posting Account is sufficient for purchasing the Claim Rights using the Auto-invest.
 8. By activating the Auto-invest, the User gives its consent to enter into Assignment Agreements conforming to the Auto-invest parameters set by the User and available to the User for the Auto-invest.
 9. After the User activates the Auto-invest, the Platform becomes entitled to reduce the balance of the User’s Posting Account for the Price of the Claim Rights purchased in accordance with the Assignment Agreements entered into by the User and use the respective funds for payment of the Price of the Claim Rights to the Assignors and register the Claim Rights as owned by the User in the User’s profile.
 10. The information on the Claim Rights purchased using the Auto-invest is available in the User’s Posting Account.
 11. The User is entitled to amend or terminate the Auto-invest during the entire duration of the User Agreement.
 12. The Platform has no obligation to additionally inform the User on the Claim Rights

purchased during the use of the Auto-invest and the rights and obligations arising from the Assignment Agreements entered into by the User.

13. The User undertakes to familiarise itself with the wording of the Assignment Agreements and other documents and information placed on the User's Profile and related to the User and the Claim Rights purchased by it through the Auto-invest.
14. The Auto-invest shall be terminated or paused in the following situations:
 - 14.1. The User has terminated by itself using of Auto-invest in its Profile (permanent termination of the Auto-invest);
 - 14.2. The User Agreement is terminated in accordance with the conditions of the general Terms of Use (permanent termination of the Auto-invest);
 - 14.3. The general terms of the Assignment Agreements which the User has agreed with in the way stated in the Clause 3.2. of these Special Conditions have been amended, the User has been informed on this in its profile and the User has not confirmed its acceptance of the new wording of these Assignment Agreements (the use of the Auto-invest is paused until the confirmation of the User is obtained);
 - 14.4. The funds are not enough for purchase of the Claim Rights in accordance with the parameters set by the User (the use of the Auto-invest is paused until the funds are added);
 - 14.5. There are no appropriate projects complying with the parameters set by the User for the Auto-invest at the moment (the use of the Auto-invest is paused until the appropriate projects appear).
 - 14.6. If the actual amount of the funds invested using the Auto-invest is reached the Limit (pause of investments). In this situation the Auto-invest is paused until the principal amount of investments made using the Auto-invest or its part is repaid to the User or the Limit is increased by the User.
15. In the absence of the situations set above in the Clause 14 of these Special Conditions it shall be considered that the User agrees for further use of the Auto-invest and re-investment of its funds.
16. The Platform is entitled to stop providing of the Auto-invest service at any time, informing the User in its User Profile.
17. The User acknowledges and agrees that the Auto-invest shall not be considered as the Platform's investment advice or the investment management services. The choice of the Claim Rights for purchase by the User using the Auto-invest is being made automatically based only on the parameters set by the User on its own. The Platform is not responsible for results of such choice.
18. The User is fully responsible for the parameters set by it for the use of the Auto-invest and for the consequences, which may take place as the result of such User's decision. The User fully agrees that any purchase of the Claim Rights made using the Auto-invest in all the legal aspects is similar to the purchase of the Claim Right made on the basis of the direct User Request in accordance with the general Terms of Use.
19. **All the matters that are not regulated in these Special Conditions shall be regulated by the general Terms of Use. In the situation of conflict between the wording of the Terms of Use and these Special Conditions the Special conditions shall prevail. The additional technical information and the manual of**

the Auto-invest are available in the User's profile, on the Auto-invest webpage.
